

Question 2

Question 2:

Who is writing the rock music?

Write a query that returns the Artist name and total track count of the top 10 rock bands

After running the SQL code provided in the text file joined, we were able to find, the top ten Rock Bands with most music tracks registered on the database. Led Zeppelin is first with 114 tracks on the database and Kiss is at the 10th position with 35 tracks.
